DEFINITIONS OF CLASSES

In the following definitions of classes first prize wins in limited show obedience classes and open shows confined to one breed do not count for entry in open and championship show obedience classes but do count for eligibility at limited obedience shows or open shows confined to one breed. A dog not qualified to enter championship class C must be entered in the lowest available class for which it is eligible and may also be entered in another class if desired plus one additional class at the society's discretion. Only qualified dogs may be entered in championship class C and these dogs may also enter open class C and one additional class at the society's discretion. (Note the qualification for championship class C and Obedience Warrant.)

Exemptions from this regulation are:- A dog entered in a Good Citizen Dog Scheme Special Pre-Beginner Obedience Stakes Class, KC GCDS SPECIAL PRE-BEGINNER STAKES. To compete in this special class a handler or dog must not have won two 1st Prizes in Pre-beginners nor gained a third place or above in any other standard obedience class. Exhibits must have obtained a minimum of their Kennel Club Good Citizen Dog Scheme Bronze Award prior to the closing date of the show.

INTRODUCTORY CLASS To compete in introductory class a handler or dog must not have gained a 1st place in any obedience class, and have not elected to progress on points from introductory

PRE-BEGINNERS To compete in Pre-Beginners a handler or dog must not have won a First Prize in either Pre-Beginners or Beginners nor gained a third place or above in any other obedience class, (Introductory Class excepted.) and has not elected to progress on points from Prebeginner.

BEGINNERS To compete in Beginners a handler or dog must not have won a total of two or more First Prizes in Beginners Class, or one First Prize in any other Obedience Class, (Introductory Class and Pre-Beginners excepted) and has not elected to progress on points from Beginner.

CLASS A For dogs which have not won three First Prizes in Class A, B and Open Class C in total, and has not elected to progress on points from Class A.

Progression on wins. Progression from each class will be determined by the eligibility for the class as referenced in Regulations G(A). To count for progression wins must be gained in standard classes at Kennel Club licensed Open, Premier or Championship Obedience shows. A first place will count towards progression.

Progression on points. At the handler's discretion a dog may progress up to the next class, up to and including open class C by gaining points at each level, using the Obedience Excellent Scale of points scheme as follows:

- * Ten points for first prize
- * Four points for second prize
- * Two points for third prize
- * One point for fourth prize

If this method of progression is selected, the handler must ensure the show secretary/chief steward signs the dog's Obedience Record Book at the first show entered in the higher class. There is no time limit on this progression, however, once a dog or handler has progressed, they cannot return to the class that they had progressed from. All wins and places to fourth since 1st January, 2020 can be included when calculating points. Points are specific to a particular class and cannot be used against a lower or higher class.

Points required for progression on points are as follows:

1. 20 points required for progression from Pre-beginners.
2. 20 points required for progression from Beginners
